ABOUT ME

I'm Lovisa Celander, a Stockholm based marketer with a strong interest in brand building, influencer marketing and digital marketing. Alongside my work in marketing, I run Ophelia, my own brand where I design and sew handmade products. Through Ophelia, I've developed a strong interest in storytelling, content and building meaningful connections between brands and their audiences. I enjoy combining creativity with strategy and I'm motivated by learning, building strong brand relationships, and creating work that makes brands stand out.

WORK EXPERIENCE

REF STOCKHOLM SWEDEN
Performance Marketing & Content Coordinator
August 2026 - present

- Create social media content and UGC for paid social, including concept development, filming, editing and format adaptation.
- Coordinate UGC collaborations through DreamInfluence, including creator sourcing, briefing, feedback and follow-up.
- Support campaigns, product launches and content productions, including photography and on set coordination.
- Analyse paid social performance in Meta, evaluating creative effectiveness and identifying opportunities for optimisation.
- Source creators for brand events and conduct on-site interviews to create social first content.

SMALL BUSINESS - OPHELIA.
Sewing and selling my own products
2022 - present

- Managing all aspects of marketing, including social media strategy and brand promotion.
- Identifying and reaching out to relevant creators and influencers for product gifting and brand collaborations.
- Handling accounting tasks and financial planning.
- Providing customer service to ensure happy customers.
- Designing, sewing and planning new collections from concept to final product.

VISSY COMMS
Paid performance intern at a marketing agency
Mars - April 2026 (6 weeks)

- Planned, created, and optimized paid social campaigns on Meta and TikTok
- Produced ad creatives and conversion-focused copy for digital campaigns.
- Analyzed campaign performance and identified optimization opportunities.
- Evaluated creative performance to inform future campaign direction.

COMMON CLOUDS
Client project as part of a course at Berghs School of Communication
September 2025 - Mars 2026

- Conducted SEO analysis and developed a longterm SEO framework & strategy
- Performed CRO analysis and provided UX and conversion focused recommendations
- Created website mockups and presented strategic insights to the client
- Participated in client meetings and cross functional teamwork
